OUR TEAM

Our experts come both from Western and Eastern countries, providing daily accurate assistance for Tour Operators and Incentive Houses. Over the years, we managed to build our own group of professional guides with deep knowledge of places and history, so to be able to introduce each different customer to discover all the peculiarities of this fantastic region.

OUR ORGANIZATION

Our centralized organization (the central office is located in Ho Chi Minh City, Vietnam) provides a common product standard from Thailand to the whole Indochinese peninsula, ensuring the management and delivery of a unique service despite the differences of each single country.

This kind of organization offers a considerable advantage to tour operators, allowing them to rely upon a single structure in charge of products and services' planning, management and operativity throughout four different countries.

Strengths of our organization:

- Planning and implementation of long-term objectives
- Full integration into the territory of logistics bases and operational support
- Real ability to understand customers' needs and desires
- Constant innovation and Creativity
- Security for our customers
